October TAWG

During TAWG you get the opportunity to spend some time with God. Find a spot where you will not be distracted and can talk to God about what you are thinking about today. Read the verses for the day, each day, and then use the questions to dive deeper into what you read.

What is ONE thing that stood out to you while reading this scripture?

All scripture helps us have a better relationship with Jesus. What are the things you learned about faith and obedience in this scripture? Are there choices you want to make to keep building your relationship with Jesus?

If none of these questions fit what you read today you can ask: Who is involved in what I read, What are they doing, Where are they, When is this happening, or Why is something being said?

Pray and talk to God, then mark off today on the board.

The Book of John

- 1 The Author of the book of John:
John the disciple Jesus referred to as the beloved disciple.
- 2 When the book was written:
Likely between AD 70–100. Meaning between the destruction of the temple and when John died.
- 3 Jesus is presented as the Word of God, Lamb of God, and the Son of God in John
- 4 The book of John is a gospel, but not a Synoptic Gospel like: Matthew, Mark, & Luke. John focuses less on miracles, parables and public teaching than the other gospels.
- 5 Synoptic Gospel means the three gospel books that tell similar stories about Jesus in a similar order and way.
